Testimonials

The experience was very awesome! Our tours guides were great and gave great guidance and energy and joined in on the fun which was very great! Loved the experience and would 100% recommend it to anyone that is interested.

Had a great time on the party truck. Music was definitely jamming, we were able to dance, sip our drinks & even party at a few bars. However, I could have just partied on the truck it was that fun. A must try.
